Allen Saenz  
SALA Event Center  
2551 Central Avenue  
Los Alamos, NM 87544

Dear Allen Saenz:

I am writing to express my support for the SALA Event Center in Los Alamos, New Mexico. As Governor of New Mexico, I am committed to fostering innovation and community engagement throughout our state, and I believe that the SALA Event Center fulfills these goals.

The SALA Event Center, with its mission of creating an immersive space initiative, aligns with our shared vision of fostering creativity, education, and community engagement. By providing a venue that is both versatile and technologically advanced, the center will not only serve as a hub for local and regional events but also as a beacon for educational and economic development.

Moreover, the center's commitment to offering immersive experiences aligns with our state's dedication to advancing innovation and public engagement in science and technology related industries.

While the state is unable to provide funding for this project, I want to affirm my support and recognize the potential impact of the SALA Event Center. I believe that such community-centered projects are crucial in building a vibrant and dynamic New Mexico.

I commend your efforts to create a space that will not only entertain but educate and inspire. The SALA Event Center holds the promise of becoming a pivotal part of Los Alamos's cultural and economic landscape, and I look forward to witnessing its positive impact on our community.

Please do not hesitate to reach out to my office if there are ways we can assist in promoting or facilitating the success of this commendable initiative.

Sincerely,

A handwritten signature in black ink that reads "Michelle Lujan Grisham".

Michelle Lujan Grisham  
Governor
