Los Alamos County
Attn : County Administrator and County Councilors

Subject: SALA LEDA Application

Dear County Manager and Councilors:

The Regional Development Corporation would like to express its full support of the LEDA Application for Phase 2 development of the SALA Los Alamos Event Center in the amount of \$450,000. Having had the opportunity to visit the facility, we are amazed at the work that has gone into making this a very special place for Los Alamos. We commend the work done by Allen Saenz and others in the community to make it so, and we applaud the support of the community and its partner organizations.

The planned addition of the immersive experience theater will make it a one of a kind place for northern New Mexico! We've seen the plans and the initial steps to prepare for the expansion and are excited about what a difference it will make.

We were happy, as well, that we could offer support for SALA through our team fund this past Spring. It was an honor to do so. Let us know if you have any questions about our ongoing support.

Best regards,
Pat Vanderpool
